Christian leaders call for national day of repentance :

American pastors and ministry leaders from many denominations have issued a joint call for a solemn assembly of worship, prayer, fasting, confession and weeping to take place in the nation's capital on Sept. 26, 2020. Named “The Return”, this national day of repentance marks the 400th anniversary of the Pilgrim's landing in America.

As the prophet Joel called for an appointed time for all believers to desperately cry out to God, this season of national turmoil and division is an appropriate time for all believers to plead with God to restore America.

Dr. James Dobson wrote: “While it often appears that Western civilization as we have known it is in its closing days, there are millions of Christians in this country who love Jesus and are praying fervently for a spiritual renewal.”

God's Word: “If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin and heal their land.” II Chron. 7:14

Franklin Graham is among other national leaders involved in The return.
